**Excellent organizational skills and leadership gained through experience as a skipper, base and aftersales manager. I am able to control various situations with my communication skills and team spirit, able to fix smaller problems in engine room, good knowledge of the rigging, good ability to adapt to multicultural environment. Able to work in hard and stressful situations.**

## INTERESTS

I am professional, confident and friendly person with over 15 years of experience in a yachting industry, both sea and land experienced, looking to gain a position as a Captain or an officer on the large motor or sailing yacht. After all the seasons in the Adriatic sea, I believe I am ready to take over more serious yacht in order to improve my knowledge of the yacht industry and make step forward by learning from those around me and helping those in need.

I am passionate sports person. I love sailing regattas and was a member of the best Croatian sailing teams on various positions. I sailed with the world famous best Croatian sailors (Tonči Stipanović, Mate Arapov, Marin Mišura). I also enjoy running. From the age of 8 till now I have been sport engaged -professionally or recreationally. I was a swimmer for more than 15 years. Always ready and open for the new education and training. Crossed Atlantic 5 times in both directions as a skipper of Lagoon 560 „4JOY“ and Lagoon 620 „PLAN B“
